Genuine Supply Source Inc. Sustainable Development Policy

Our Commitment

Genuine Supply Source Inc. (GSS) is committed to operating in a socially responsible and environmentally sustainable manner. We recognize that our business decisions impact the environment, communities, and economy, and we integrate sustainability principles into all aspects of our operations.

Environmental Responsibility

- Operate the **fuzion® Ink & Toner Cartridge Recycling Program**, accepting empty fuzion® cartridges at our Mississauga, Ontario facility.
- Partnered with **Greentec International** to ensure cartridges are remanufactured where possible or responsibly recycled at end-of-life.
- Reduce waste through recycling, materials recovery, and improved packaging practices.
- Work to lower our carbon footprint in logistics and operations.

Social Responsibility

- Provide a safe, inclusive, and respectful workplace.
- Support fair labour practices and diversity within our workforce and supply chain.
- Promote environmental stewardship with customers and partners.

Economic Responsibility

- Balance profitability with long-term sustainability.
- Maintain transparent and ethical business practices.
- Deliver value to stakeholders through responsible growth and innovation.

Implementation & Accountability

- Sustainability considerations are factored into decision-making, procurement, and product design.
- Progress is monitored through waste diversion and recycling metrics.
- Policies are reviewed regularly to ensure compliance with evolving best practices and regulations.

Conclusion

Through our programs and partnerships, Genuine Supply Source Inc. demonstrates its commitment to sustainable development by reducing waste, reusing resources, and fostering responsible practices that benefit the environment, society, and economy.
